COMMUNITY LEADERSHIP

Academic Director, Andre Koo Technology and Entrepreneurship MBA, 2025 – present.

Area Editor, Operations Research, 2021 – present.

Co-organizer of the Marketplace Innovation Workshop, 2016 – 2020.

Chair of the INFORMS Revenue Management and Pricing Section Prize Committee, 2020.

Steering Committee Member for the MSOM Data-Driven Research Challenge, 2018 and 2020.

Chair of the INFORMS Revenue Management and Pricing Section, 2018 – 2019.

Co-organizer of the 2017 edition of the New York Computer Science and Economics Day at NYU Stern.

Co-organizer of the 2016 edition of the INFORMS Revenue Management & Pricing Conference at NYU Stern.

AWARDS AND HONORS

2024 INFORMS Revenue Management and Pricing Section Prize, “awarded for the best contribution to the science of pricing and revenue management published in English” over a five-year window.

2024 MSOM Best Student Paper Award, Second Place (for student Yuri Fonseca).

2023 RMP Jeff McGill Best Student Paper Award, Second Place (for student Yuri Fonseca).

2021 INFORMS Technology, Innovation Management and Entrepreneurship Section Best Paper Award, “given out to the best paper in technology management, product/process innovation, business model innovation, new product development, and entrepreneurship” over a five-year window.

2021 MSQM Graduation Faculty Speaker.

2019-2025 Robert L. & Dale Atkins Rosen Stern Faculty Fellow.

2019 Stern Graduates Survey: “Decision Models & Analytics” with Prof. Lobel was the 2nd most voted for “most valuable elective of MBA program” (1st among electives offered by tenured and tenure-track faculty).

2019 Stern Professor of the Year Honorable Mention.

2018 MSOM Young Scholar Prize, which “recognizes exceptional young researchers who have made outstanding contributions to scholarship in operations management.”

Finalist of the 2018 Best OM Paper in Management Science Award.

2018 Stern Distinguished Teaching Award.

2017 Poets & Quants 40 Most Outstanding MBA Professors Under 40.

2016 Management Science Distinguished Service Award.

2015 and 2013 IBM Open Collaborative Faculty Awards.

2014 INFORMS Revenue Management and Pricing Section Prize, “awarded for the best contribution to the science of pricing and revenue management published in English” over a five-year window.

2013 Management Science Meritorious Service Award.

Most cited paper in 2013 published in The Review of Economic Studies in 2011 or 2012.

Kavli Fellow, U.S. National Academy of Sciences.

Academic Excellence Award from PUC-Rio University, with the highest GPA in School of Engineering, 2004.

2001 Goldman Sachs Global Leaders Award.

2000 Lucent Technologies Global Science Scholars Award.

1st place in university entrance exams for the School of Engineering of the Federal University of Rio de Janeiro (UFRJ) among approximately 10,000 students, 1999.
